A Feast of Emergency Rations

Nagabe

I decided to take her home—you never know when you'll run out of food.

While I'm at it,

My first live prey.

I found her abandoned a month ago.

If she'd been dead, I would have eaten her then and there.

I might as well raise her as livestock.

STILL CUT IT UP FOR YOU.

MEALTIME.

ALL THAT  
HARD  
WORK FOR  
NOTHING.

DO I HAVE  
SOMETHING I  
CAN GET RIGHT  
AWAY?
